SUBJECT	REDWOOD/AERODYNAMIC - Financial Accountings by AECASSOWARY			ABSTRACT													
ACTION REQUIRED - REFERENCES																	
REFERENCE: OBEW 8913																	
<p>1. According to the Station Finance Officer, AECASSOWARY/29's accountings were in order when he left Brussels, except for an advance of 10,000 BF made to him in early 1962 and an amount of 6,000 BF owed to A/29 (See V-313 of December 1962 referred to in OFPT-7228 dated 1 February 1963).</p> <p>2. Regarding the 10,000 BF advance which is unaccounted for as yet, 5,000 BF of this amount was paid by A/29 for rent and heating (4,500 BF for rent and 500 BF for heat) for the month of March 1962. Whether A/29 forgot to turn over the receipt for this rent payment or whether the undersigned accidentally destroyed it at the Station is unclear at this time. Both the undersigned and, it is assumed, A/29 are ready to certify that he did in fact pay this 5,000 BF to the landlord. There is no accounting for the remaining 5,000 BF here at the Station. Therefore, if Station reckonings are correct, the 5,000 BF are to be deducted from the 6,000 BF owed to A/29. Thus, 1,000 BF, or \$20.00) are due to A/29.</p> <p>3. In reference to T/A HO 1011 dated 23 November 1962 and involving \$290.00 (BF 14,500) \$200 of this amount, i.e., 10,000 BF, is dealt with in the preceding paragraph. The remaining 4,500 BF involves key money which was refunded to the Station per V-400 of January 1963.</p> <p>4. It is hoped that the above will clear AECASSOWARY/29's accounting and the 10,000 BF advance carried against the undersigned's name on <input type="checkbox"/> Advance Accounts Ledgers.</p>
